

English Woodlands Site Consultations

English Woodlands are pleased to offer a site consultation for our customers. It will be carried out with one of our horticultural experts. They will discuss your objectives and planting requirements giving you some ideas. Plants suggested will be suitable for the location, aspect, size and soil conditions of your garden.

Following the visit, we will send a brief report of our findings, suggestions and what to do next by email or post.

Terms & Conditions

- Site visits are offered in postcode areas TN, BN, RH & ME postcode areas
- The cost is £120 (including VAT) per visit and includes travel, consultation up to 60 minutes and a short follow up report of our suggestions.
- The service is payable before the visit and is 50% refundable against any order of over £750 placed as a direct result within 90 days.
- This site visit does not include any planting plans or drawings, soil testing or underground investigations.
